SYNOPSIS:

I responded to a citizen assist to help a juvenile get to school. I found the juvenile walking by Hidden Hollow Elementary School. I picked up the juvenile and transported him to Frontier Middle School.

INITIAL CONTACT:

I made contact with Deborah Slajer by phone. Deborah stated her son **Unwarranted** had started to walk to school. Deborah said she was worried about him because it was cold and she didn't want him to get sick.

I told Deborah I had not yet located him. Deborah got upset with me and said its not that hard to find him, then she said well fine if you cant do it then I will just call the school. She then hung up on me.

I located **Unwarranted** by Hidden Hollow Elementary. I gave **Unwarranted** a ride to Frontier Middle School.

I called Deborah back after I dropped **Unwarranted** off at school. I told Deborah I had located **Unwarranted** and took him to school. I asked Deborah why she could not take him to school. Deborah stated she could not find her car keys. I informed her that she has the means to take her kids to school and the Sheriffs Office would not be doing this sort of thing in the future. I told Deborah she would need to take her kids to school or make other arraignments for them to get to school. Deborah stated it was not her fault and hung up on me for a second time.

No further action taken
